

A person's legs are shown from the knees down, wearing a white thobe. The scene is lit from the side, creating long, soft shadows of the thobe's folds and the person's legs. In the lower-left corner, two rustic, dark brown clay pots are placed on a light-colored ledge. The overall mood is warm and elegant.

NÜBA

In collaboration with NÜBA Spa which is inspired by the rich heritage of Ancient Nubia and the Nuba Mountains in Sudan, we celebrate African identity and traditions in every aspect of our wellness offerings. We have created an intimate haven where guests can escape the chaos of daily life and embrace their well-being. Our mission is to provide an unparalleled spa experience, combining both traditional and modern therapies in a luxurious and tranquil environment.

Together, The Majlis and NÜBA Spa are committed to delivering exceptional service, personalised care, and meticulous attention to detail.

We invite you to indulge in relaxation and rejuvenation, where every treatment and experience is designed to help you find balance, peace, and connection to the rich cultures that surround us.

*Join us for a journey that nurtures the body,
mind, and soul in the stunning backdrop of
Lamu.*

SPA PACKAGES

Moroccan Body Scrub (90-120 mins)

Moroccan scrub is a traditional exfoliation treatment deeply rooted in Moroccan culture. This treatment is typically performed in a hammam and involves the use of black soap and a Kessa glove to exfoliate the skin thoroughly.

Equatorial Essence (90 mins)

This package is designed to rejuvenate the body, mind, and spirit by harnessing the power of relaxation through a Swedish massage. Followed by a session in the hammam to soothe the muscles and enhance the overall benefits.

Nubian Bliss (90 mins)

Nubian Bliss spa package is a 90-minute indulgent experience designed to cleanse the body with a blend of sugar and essential oils to rejuvenate the body. Followed by a relaxing aromatherapy massage, this package promotes skin renewal, leaving your skin glowing. Finish with a final application of body butter to deeply moisturise the skin, leaving it soft and smooth.

Lamu Sands (90mins)

Lamu Sands spa package is inspired by the lush and sandy soils of Lamu. This 90-minute treatment focuses on body exfoliation using a Kahawa Body Scrub/ Mask infused with coffee extract. This treatment promotes, hydration, and relaxation, leaving your skin smooth and your body rejuvenated.

Savanna Serenity (120mins)

Drawing from the serene landscapes of African savanna's, this package includes calming therapies like a soothing relief body massage (Swedish massage), followed by a Kalahari hydration facial and then finalising with a manicure & pedicure.
